

YOU HAVE A STORY...

WE'D LOVE TO HEAR IT!

The application process can seem so impersonal.
Bring your application to life by recording a 60-90 second **Glimpse*** video so we can get to know you better.

Glimpse is available to high school students living in the U.S.
For more information about Glimpse, please visit:

InitialView.com/Glimpse

For more information about InitialView Interviews for International Students visit:
